Just a Few Words

About our spring stock and spring business: From all sections of the country you hear rumors of dull trade mainly attributed to the long continued phenomenal cool weather. "It is our privilege to tell a different story." The past month's (April) business shows way beyond the same month's record for many years. Now we know that so far spring clothing has not been needed, but our present stock of Men's, Boys' and Children's Wear is so irresistible in styles, qualities and prices that our people just had to buy after looking at them. The same holds good with our SHOES. GOOD SHOES were needed in Maysville. We bought that kind---Hanan and Douglas---and we are selling them. LOOK AT OUR MAY OFFERINGS IN OUR NEXT AD.

GOVERNOR BECKHAM lost the opportunity of his life in not himself vetoing the Beckham County Bill.

MR. BRYAN says that "money stupefies the conscience," and proves it by trying to get \$50,000 from the estate of an eccentric and wealthy Yankee.

UNCLE SAM has paid Panama her first \$1,000,000 for the Canal; and when that bunch of money reaches that country there'll undoubtedly be another revolution.

THE COURT of Appeals has done for Governor BECKHAM what Governor BECKHAM did for Lieutenant-Governor THORNE—vetoed the county that was named for him.

THE HON. BILLY HALBERT of the State of Lewis—late of Vanceburg, Beckham county, Ky.—O.—is wearing a very large feather in his hat since he "won out" before the Court of Appeals in the Beckham county case.

SOME days ago the papers recorded, with a great flourish, the marriage of the first couple in Beckham county. The Court of Appeals having declared Beckham county unconstitutional, will the babies be unconstitutional too?

THE LEDGER would now like to know the Status of its good friend HARVEY PARKER. Is he Mayor of Vanceburg, Beckham county, or is he just Mayor of Vanceburg? And if so, on what days does he hold Court in Rome, Beckham county, Ohio?

ONE of the handsomest papers that comes to THE LEDGER is The Lexington Herald;—and it's one of the best, too.

THE session of Congress just ended distinguished itself in a way that few persons are aware of. It was the earliest ending of a long session of Congress since the first session of the Fifteenth Congress, which came to an end on April 20th, 1818.

JUDGE KINNER decided that Beckham county was Beckham county, and he is now holding Court there; but as the Court of Appeals has decided that Beckham county is only parts of Lewis, Carter and Elliott—that it is not Beckham county at all—it will be interesting to know the outcome of Judge KINNER's decisions in a Court that doesn't exist.

BECAUSE the Court of Appeals decided that it had no authority to upset the Legislative outrage in stealing the Governorship from General TAYLOR, who had been elected by the people, and giving it to GOEBEL, who had been defeated at the polls, there were some people who thought that Court would indorse such a flagrant Legislative violation of the Constitution as the Act creating Beckham county.

IN reversing the judgment of the Carter Circuit Court in the agreed cases of Carter County v. Zimmerman, and Zimmerman v. Brooks, the Court of Appeals declares that the Act creating Beckham county from portions of Lewis, Carter and Elliott counties is unconstitutional and void, in that it violates Sections 63 and 64 of the Constitution, which prohibit the reducing of the area of the counties from which a new county is made to less than 400 square miles, their population to less than 12,000, and making the boundary line of a new county within ten miles of an old county seat. All of these provisions have been violated in the formation of Beckham county, the Higher Court declares.

"DO IT TODAY."

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Bo-schee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. For sale at Henry W. Ray's Postoffice Drugstore.

WASHINGTON OPERA-HOUSE

TED E. FAUST'S MINSTRELS

Managers, Russell, Dye and Frank of the Opera-house have engaged the Ted E. Faust superb all white Minstrels for Monday night, May 9th. In the make-up of his company Mr. Faust has been mindful of the old school of burnt cork; of the art of the late Billy West; the style of George Primrose and the melody of Dan Emmett. All this he has applied to his organization and taken a step in advance by engaging acts and features far superior to those of all other minstrel organizations, past or present. The singing, the dancing, the comedy and the music is on a scale higher than ever before attempted. All the great critics are unanimous in their praise of the superb organization.

This is a return engagement of the most excellent company which was dated because of the enthusiastic demand of Maysville theater-goers.

Mrs. Weisslitz, Buffalo, N. Y., cured of kidney trouble by Lydia E. Pinkham's Vegetable Compound.

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless prompt and correct treatment is applied, the weary patient seldom survives. Being fully aware of this, Mrs. Pinkham, early in her career, gave careful study to the subject, and in producing her great remedy for woman's ills—**Lydia E. Pinkham's Vegetable Compound**—made sure that it contained the correct combination of herbs which was certain to control that dreaded disease, **woman's kidney troubles.**

Read What Mrs. Weisslitz Says.

"DEAR MRS. PINKHAM:—For two years my life was simply a burden. I suffered so with female troubles, and pains across my back and loins. The doctor told me that I had kidney troubles and prescribed for me. For three months I took his medicine, but grew steadily worse. My husband then advised me to try **Lydia E. Pinkham's Vegetable Compound**, and brought home a bottle. It is the greatest blessing ever brought to our home. Within three months I was a changed woman. My pain had disappeared, my complexion became clear, my eyes bright, and my entire system in good shape."—**Mrs. PAULA WESSLITZ, 176 Seneca St., Buffalo, N. Y. — \$5000 forfeit if original of above letter proving genuineness cannot be produced.**

The Cranes of Cincinnati were here yesterday gathering up logs, and instead of 600 as stated in this column, they found over 1,000 in the vicinity. It was quite a harvest for the drifters hereabouts.

Every sort of a craft from a steamboat to a "johnboat" was pressed into service Saturday and Sunday by the people all along the river to assist in the catching of logs which were passing. Altogether there were 160,000 run-aways, the property of the C. Crane Company. If each one of these is recovered by a "log crabber" the salvage will amount to \$40,000. The towboats J. O. Cole and Crown Hill are gathering in the derelicts, under the guidance of Captain Walter Orr, Master of Transportation of the C. Crane Company.

TORTURING DISFIGURING

Skin, Scalp and Blood Humours

From Pimples to Scrofula, from Infancy to Age

Speedily Cured by Cuticura when All Else Fails.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurements, as in acne and ringworm; the awful suffering of infants and anxiety of worn-out parents, as in milk crust, tetter and salt-rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent, to cool and cleanse the blood. This complete local and constitutional treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all else fails.

Sold throughout the world. Cuticura Resolvent, 60c. Cuticura Soap, 25c. Cuticura Ointment, 50c. Sold by all druggists. Prepared by J. C. Ayer & Co., Lowell, Mass., U.S.A. Send for "How to Cure Every Humour."

The Seoul correspondent of The Central News wires that the Japanese victory on the Yalu was most complete. After the Japanese charge, he says, the Russian lines were thrown into confusion and retreated in disorder. The Japanese have now secured a firm hold on the Manchurian side of the Yalu river. It is stated that the Russians have abandoned Antung, firing the town as they left it, and retired to Feng Huan Cheng, on the road to Liao Yang.

Reports have reached Kaupung Tao, Manchuria, that the first land battle of the Russo-Japanese War has occurred on the Yalu river. The State Department at Washington has also received reports of a battle which, it is claimed, resulted in a great Japanese victory. It is stated at St. Petersburg that no official advices have been received to indicate that there has been any battle beyond a few skirmishes. It is admitted that the Japanese forces have crossed the Yalu, but the Russian military officials say that General Kuropatkin's plans never contemplated any strong resistance to the enemy crossing the river.

Physical Culture Department Has Exercises Friday Night

An interesting and enjoyable entertainment, to be given by the Physical Culture Department at Haywood, is promised at the Opera-house Friday evening, May 6th.

The children's class will give an exhibition of the regular class work during the year. Besides several difficult drills, the young ladies of the advanced class have prepared a laughable little burlesque entitled, "The Ladies Speak at Last." The "ladies," who are at last permitted to speak their minds freely, are some of Shakespeare's best known and best loved heroines, and they soon enlist the sympathy and interest of their audience as they freely pour forth to them the troubles, discouragements and misunderstandings to which they have been subjected.

Music for the drills will be furnished by the Maysville Orchestra.

Those who have already secured seats may have them reserved without extra charge. Box sheet will be opened at Ray's Drugstore tomorrow morning.
